Subject: ADAO Response to Defense Bar Challenge to Asbestos SAAC Review (EPA-HQ-OPPT-2019-0501-0001)

Please find a response by the Asbestos Disease Awareness Organization (ADAO) to comments by ten organizations and two law firm representing asbestos defendants which challenge the impartiality of the Science Advisory Committee on Chemicals (SAAC) and seek to disqualify SAAC members based on their purported ties to ADAO. As described in the attached letter, the claims in these comments are without basis and should be rejected by EPA.

Please add my letter to the docket for the asbestos risk evaluation -- EPA-HQ-OPPT-2019-0501-0001.

Do not hesitate to contact me with any questions.

Thank you.
